Sociologist with postgraduate studies in social research. She has been a senior researcher in the Area of Health, Economy and Society of the Center for Studies of State and Society (CEDES) of Argentina since 1990. Currently she works as Co-Director of REDAAS (Red de Acceso al Aborto Seguro)- Argentina and co-coordinator of the Observatory on Sexual and Reproductive Health of Argentina (OSSyR).

She has developed research in the fields of sexual and reproductive health and rights, maternal health, implementation of sexual and reproductive health services and policies, cancer, and social communication in health.

She has coordinated national and regional multidisciplinary research teams, and has extensive teaching experience in health sociology, qualitative health research, and sexual and reproductive health and rights. Her publications include articles, book chapters, books and scientific dissemination and knowledge transfer materials.

At the international level, she has been a member of the Steering Committee of the HRP Alliance and Research Capacity Strengthening of the Human Reproduction Program; the Advisory Committee on Health Research of the World Health Organization; and the Expert Advisory Panel on Health Science and Technology Policy of World Health Organization. She has also been a member of the United Nations Commission on Information and Accountability for Women's and Children's Health; She has been Vice-president of the Policy and Coordination Committee of the Special Program for Research, Development and Training of Researchers on Human Reproduction of the World Health Organization (PCC, for its acronym in English); has served as liaison officer for the International Consortium for Medical Abortion (ICMA); and has been a member of the executive committee of the Latin American Consortium against Unsafe Abortion (CLACAI).

At the national level, she has held management positions in public organizations: Technical Coordinator of the National Plan for the Prevention of Unintentional Pregnancy in Adolescents (Plan Enia); Coordinator of the Sexual and Reproductive

Health Program of the Province of Buenos Aires, Argentina; and Coordinator of the National Health Research Commission of the National Ministry of Health. She has also been an advisor to various public organizations: external advisor to the National Department of Sexual and Reproductive Health of the National Ministry of Health; advisor of the Social Sciences Committee of the FONCyT of the Ministry of Science, Technology and Productive Innovation; advisor for social science research at the National Institute of Cancer; and advisor to the National Women's Council of the Presidency of the Nation, Argentina.

She has also been in charge of the academic management of postgraduate training programs such as the Master's Degree in Social Sciences and Health (CEDES-FLACSO) and the Diploma in Sexual and Reproductive Health and Rights (CEDES-Universidad Isalud). He has led academic institutions such as CEDES for four periods. And she has founded and integrated the governance bodies of institutions in the field of public health as Scientific Secretary of the Association of Gynecology and Psychosomatic Obstetrics (AAGOP) and the Association of Health Economics (AES). In the international field, she has joined the Gender Equity Knowledge Network of the WHO Commission on Social Determinants of Health.

In the field of evaluation and consulting, she has been an evaluator for CONICET and the Ministry of Science and Technology of Argentina, and has served as a consultant for the World Bank, IDB, Eurosocial, Ford Foundation, MacArthur Foundation, IPPF, Ipas, WHO , PAHO, UNFPA and UNICEF.
